EDUCATION

B.E, Computer Science and Technology , Karpagam College of Engineering	2027
Affiliated with Anna University	CGPA: 8.8 / 10.00
Higher Secondary Certificate (HSC) , SHN Ethel Harvey Girls' Higher	2023
Secondary School - State Board	Percentage: 91%

SKILLS

- Languages:** C, C++, Java, JavaScript, SQL, HTML, CSS
- Soft Skills:** Verbal communication, Written communication, Active listening, Presentation skills
- Technical Skills:** MERN Stack, DSA, Web Development
- Developer Tools:** GitHub, MySQL, Postman, Gemini API

PROJECTS

AI-Based Legal Document Analysis System, Team Project	Dec 2025 - Jan 2026
--	---------------------

https://github.com/INBASRI-S/LEGAL_AI_DOCUMENT_ANALYSER.git

- Developed an AI-based legal document analysis system using LLMs (Gemini API) to analyze user- submitted legal documents.
- Implemented risk detection and error identification in legal contracts using AI.
- Enhanced legal documents by suggesting corrections and improvements for clarity.
- Built a React frontend for document upload, analysis, and result visualization.

MERN Stack Hotel Booking Application, Personal Project	Dec 2024 - Jan 2025
---	---------------------

https://github.com/INBASRI-S/HOTEL_BOOKING_SYSTEM_MERN_STACK.git

- Built responsive React pages including login, home, hotel listings, hotel details, and booking form.
- Developed a full-stack hotel booking application using the MERN stack.
- Implemented backend APIs using Node.js and Express.js for booking and user management.
- Used MongoDB to store user, hotel, and booking data.
